

CIADA SCHOLARSHIP GUIDELINES

1. Normally two scholarships of equal value shall be offered each year. One will be for the State of North Carolina and the other for South Carolina. If a particular state does not have an applicant for the current year's award, the winner/s will be awarded from those qualifying applications received.
2. The CIADA will review and determine the number of scholarships given (if different than described above) and the amount to be awarded each year. The scholarship will be disbursed by CIADA to the school of the recipient's choice.
3. A runner-up will be selected from each state to replace the winner who might decline a scholarship.
4. Applicants must be a child, grandchild, or spouse of a CIADA **DEALER** member. They must be sponsored (recommended) by a CIADA member in good standing.
5. Applicants must be a full time student enrolling or enrolled in a college, university, business or trade school. They should submit a CIADA application form, along with their appropriate transcript (high school or college), Scholastic Aptitude Test scores or equivalent test scores, information on special interest and activities, and three letters of recommendation.
6. Applicant forms and information will be provided through CIADA headquarters and its publications. Applicants should return their application to CIADA headquarters, which will verify their eligibility and forward the application to the Scholarship Committee.
7. A Scholarship Committee will be appointed by CIADA each year to coordinate publicity, deadlines, select judges, and to oversee the selection process and notification of winner/s. Applications must be submitted by March 15th of said year.
8. The Scholarship Committee shall select the judges. They must be independent of CIADA and the automobile industry. Selection of the scholarship winner/s will be made by May 1st of said year.
9. Scholarship winner/s will be notified of their selection prior to the CIADA convention held in August, and an announcement of their selection will be made during the convention. The time and place of the announcement shall be determined by the convention program committee.
10. Scholarship money will be deposited with each winner's chosen school. The money may be used for tuition, books, supplies and fees. If a student drops out of school, any unused funds will revert to the CIADA Scholarship Fund.
